PROFILE

I'm a motivated and creative front-end developer with 14 years of experience in building and maintaining responsive, user-centric websites and web applications. Skilled in HTML, CSS, JavaScript and modern front-end frameworks. I value delivering an intuitive, high-quality and functional product to guarantee the best possible user experience. I'm looking for a developer position where I can work along with an outstanding team that allows me to create challenging and innovative projects and develop my skills.

QUALITIES

- ▶ Guarantee cross-platforms compatibility, performance and older browsers support.
- ▶ Attention to detail and being able to meet the project's deadlines.
- ▶ Have worked along with a team of designers, front-end and back-end developers in many projects.
- ▶ Able to develop quality and clean code, following best practices and standards for web and mobile.
- ▶ Love to learn new digital technologies, skills and sharing knowledge with others.
- ▶ Knowledge of UX/UI design and SEO principles.

PROFESSIONAL EXPERIENCE

Tritone - 2016 - 2024

- ▶ Collaborated with a team of designers and back-end Developers to build effective websites and platforms.
- ▶ Developed websites and applications using frameworks like Angular and React.
- ▶ Created modular, responsive websites and apps using modern CSS techniques and JavaScript libraries.
- ▶ Worked on projects built in different languages like Python and Vue.js.
- ▶ Started using Sass, Gulp & Grunt.

F5 Web Design - 2013 - 2015

- ▶ Started using the Bootstrap framework.
- ▶ Worked alongside a team with designers, back-end developers and QAs.
- ▶ Developed the front-end of some mobile apps.
- ▶ Created quality, responsive and functional websites, following best practices and standards for web and mobile with cross-browsers support.

M. Thomaz Comunicação - 2011-2012

- ▶ First contact with JQuery and its plugins.
- ▶ Developed websites and hot sites.
- ▶ Worked with a team of web designers and SEO professionals.

Idéias & Formas - 2010

- ▶ Created online classes interfaces (e-learning).
- ▶ Worked with Flash animations and Actionscript 2.0

Anhembi Morumbi - 2008-2009

- ▶ Helped teachers and students working in software like Photoshop, Illustrator, Dreamweaver, FinalCut and others
